Today is not just a day of performances; it is a day of reflection. This past year has been, the one, of significant growth. We have moved beyond the traditional four walls of the classroom to embrace holistic learning.

From our success, whether in the **Exams and competitions** to our recent initiatives in **Sports & Arts**, our students have consistently proven that excellence is not an act, but a habit. Our goal remains clear: to nurture individuals who are not just academically brilliant, but emotionally resilient and socially responsible."

I would also be acknowledging the Partnership that cannot be ignored,

"Education is a three-way bridge between the parents, the teacher, and the students.

Parents: Thank you for choosing us as the custodians of your child's future. Your feedback and trust are the fuel for our improvement.

To the Teachers: You are the architects of this institution. Your passion for teaching is what makes this school a second home for our children.

To my dear students: Look around you. The talent on this stage tonight is a glimpse of the potential within you. Remember, the road to success is always under construction. Don't be afraid to fail, for every failure is a lesson in disguise. Chase your curiosity, stay kind, and always keep your school's values close to your heart."

We all know that every story has an unsung hero. I on behalf of the entire Sinhgad Family Solapur would now like to thank Hon. Shri Sanjay Navale Sir for his immense contribution in making this Institute shine brighter than any star visible. Your guidance, leadership, motivation and valuable support had been instrumental in shaping the vision and mission of our school. You are truly an inspiration to us all, and we are fortunate to have such a perfect role model.

Thank u Sir.

Having 15 years of excellence behind us, we will continue to shine as one of Solapur's premier educational institutions. Together, let us keep soaring higher, just like our theme—**UDAAN 2K25**.

I now officially declare the Annual Gathering **UDAAN 2K25** open! Thank you. Jai Hind!"
